Bill 23, More Homes Built Faster Act, 2022

Bill 23 is new legislation proposed by the Doug Ford government that could make it easier for developers to evict tenants in order to demolish existing rental buildings like Leaside Towers.

SCHEDULE 1

CITY OF TORONTO ACT, 2006

The Schedule amends section 111 of the City of Toronto Act, 2006 to give the Minister the authority to make regulations imposing limits and conditions on the powers of the City to prohibit and regulate the demolition and conversion of residential rental properties under that section.
