The Leaside Towers Tenant Association acknowledges that we are on the traditional territory of many nations including the Mississaugas of the Credit, the Anishnabeg, the Chippewa, the Haudenosaunee and the Wendat peoples and is now home to many diverse First Nations, Inuit and Métis peoples. The City also acknowledges that Toronto is covered by Treaty 13 signed with the Mississaugas of the Credit, and the Williams Treaties signed with multiple Mississaugas and Chippewa bands.

# Updates from the Steering Committee

## 5. City of Toronto Budget 2024 - Property Tax Increase

- Mayor Chow announced that she is reducing the proposed tax increase for multi-residential properties to keep landlords from passing the cost onto renters.
- The current proposed multi-residential tax rate increase is six per cent, broken down to 4.5 per cent in property taxes and the 1.5 per cent increase to the City Building Fund. In order for landlords to not pass along a dramatic increase onto renters, the multi-residential tax rate increase will be 3.75 per cent or less.

## 6. LT TA Community Outreach

- LT TA recently attended the CBC Toronto Listening Session held at Jean Jenner Marie CC
- The journalists have begun reaching out to those who provided contact information to discuss further issues residents of Thorncliffe Park are facing

## 7. Upcoming Community Info Sessions - Links in meeting reminder email or ask us

- Metrolinx will be hosting a virtual information session for all Thorncliffe Park residents on Thursday, February 15th from 7:00 pm to 8:00 pm.
- Infrastructure Ontario will be hosting public meetings for its proposed transit-oriented community (TOC) on Overlea Boulevard between Millwood Road and the recently closed Tim Horton's location. A virtual event will be held February 29 and in-person on March 7.
